RE: Notice of Violation/City Sign Ordinance

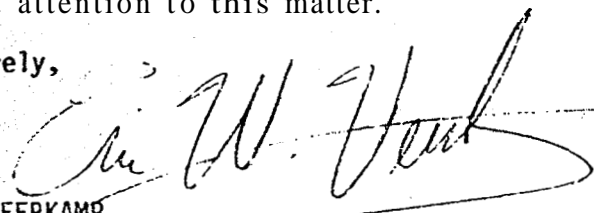

This letter is to inform you that you are in violation of the City's sign ordinance.

**Violation**

The placement of a sandwich board/A-Frame sign along Turner Road is not permitted since it is considered an individual freestanding sign. Lodi's sign ordinance allows only one freestanding identification sign per shopping center.

You are hereby notified that you have 30 days to take necessary action to bring your business into compliance. Please contact either Carey Development Corporation (the building management company) or me at City Hall to discuss what options are available to you for additional signage. I can be reached at 333-6711. Thank you in advance for your prompt attention to this matter.

Sincerely,

ERIC VEERKAMP  
Jr. Planner
